RESPONSIBILITY STATEMENT - SCCA

This is not a racing school. It is a high speed performance driving experience, on a racetrack, under close supervision by instructors. While the overriding consideration during the operation of the event is safety, incidents may occur that could cause vehicle damage and/or personal injury. You will be driving in a class session with other students and instructors whose vehicles may be uninsured and/or unregistered.

You are totally responsible for the safe operation and safe mechanical condition of your vehicle. SCCA, South Jersey Region, Northern New Jersey Region and the Jersey Racing Board, staff, and facility providers assume no responsibility in the event of an accident, of any kind, in the course of this event.

If this is of concern to you we recommend that you contact your own personal insurance carrier for advice to determine what coverage would be in effect during this event.

Submission of this application is your acknowledgment of the above and agreement to attend under these conditions.

I hereby certify that my vehicle specified on the technical inspection checklist form that I have provided at registration, has been carefully examined by a qualified individual and that all the items specified on the technical inspection checklist have been inspected. I understand that the safe condition and operation of the vehicle specified on my technical inspection checklist form is entirely my responsibility as well as any problems, malfunctions, or damage that occur in connection with the operation of the specified vehicle prior to, during, and subsequent to the Performance Driving Experience.
